Gentreo and eNotaryLog Announce New Partnership

Gentreo's simple, secure and affordable estate planning services to offer integrated online notarizations through eNotaryLog partnership

BOSTON, MA Jun 24 , 2020 — Gentreo (www.Gentreo.com) and eNotaryLog (www.enotarylog.com) announced today that the two companies have formed a new partnership that will allow Gentreo members to have their Gentreo estate planning documents notarized online remotely through the eNotaryLog Platform.

Gentreo, a Massachusetts-based company was founded on the belief that everyone should have an estate plan to protect their loved ones. Gentreo users can create their own estate plan online – with no lawyer required. Gentreo enables users to easily create state-specific Wills, Health Care Proxys, Power of Attorneys, and Pet Power of Attorneys based on their specific wishes. This new partnership will allow Gentreo users to have their documents notarized online and remotely based on their state's requirements.

eNotaryLog is an agile cloud technology company based in Tampa, FL, providing the most flexible, secure, and complete SaaS RON/RIN platform for businesses and consumers who have digital remote notarization needs. The platform is intuitive, simple to use, and allows documents to be processed and notarized anytime, anywhere.

“Enabling our members to have estate planning documents notarized is critical, especially during COVID-19,” said Renee Fry, Founder and CEO of Gentreo. “Stay-at-home orders around the nation highlight how important it is to be able to complete important legal documents online. We are thrilled to partner with eNotaryLog to make it easier for our members to legally execute their estate plan.”

Once estate planning documents are notarized through eNotaryLog, the executed documents are sent back to the users' Gentreo Digital Family Vault where users can securely share them with family or friends. This new partnership creates a convenient way for families to keep their wishes and keep their loved ones protected.

A basic Gentreo membership costs \$129 per year, which allows users to create all their estate plans and share them with unlimited people who may need access to these documents. While notarizations can include multiple documents, session costs vary depending on number of documents, signers, and time.

About Gentreo™: Founded in 2018, Gentreo™ is an online estate planning platform that makes estate planning affordable and accessible to all. Based in Boston, Gentreo was created by sisters Renee and Julie Fry with the mission of helping families protect what matters most to them. Through Gentreo, users can create state-specific documents, and securely store and share their documents. From designating a Health Care Proxy, Power of Attorney, or Pet Power of Attorney, to creating a Will or a Trust, the cost of services is a fraction of working with an attorney. Gentreo is not a law firm or a substitute for a law firm or attorney or an attorney's advice or recommendations.
